

Dear Parents/Carers,

You should have received your child's login details for **'My Maths'** – it's a great way for your child to catch up on 'learning gaps' and consolidate learning in class. Please encourage your child to complete the tasks set - we've had lots of positive feedback about this already!

As you're aware, we're working hard on strategies to support our children to cope with different emotions and to self-regulate. This year we're taking part in **Young Minds #Hello Yellow** to support young people's mental health. **On Friday 9 October** we'll be asking children and staff to wear something yellow, and make a donation if they wish to help raise funds for Young Minds.

Have a lovely weekend!

Miss S. Reynolds
Acting Head of School

REMINDERS

Only those parents who hold a pass should be accessing our school car park.

Communication: If there is an issue/question, please ensure that you follow our communication policy and make an appointment to see/speak your child's class teacher in the first instance. If you're not satisfied, please ask to speak to the **Year Leader**, then a member of SLT.

Remote learning and COVID-19

If your child is sent home with COVID symptoms or you choose to keep them at home due to COVID symptoms – a generic Year group work pack is available for collection from the school office.

If we are advised by public health to isolate a bubble/year group, we ask that you have the Marvellous App, Zoom, My Maths and access the Oak National Academy.

Where are the dinosaurs? Hunting for dinosaurs in the wood is fun! M made an awesome dinosaur house out of wood.

"Dinosaurs roar and stomp", said B.
