

NICER Newsletter

Nursery: Autumn 2

Our NICER Challenge Pack this term is called: **Let's Celebrate!**

The Challenge that our children will be undertaking is:

How can we put on a performance?

The outcome that the children will be working towards will be:

A Nursery Rhyme Show:

To be performed for their friends.

A Christmas Performance

To be performed in school and shared virtually with our families. Dates to be confirmed.

Nursery NICER Homework Challenge:

This half term, we are learning all about how to put on a performance. For their Homework Challenge, we are asking the children to learn a Nursery Rhyme of their choice so that they can perform it at our Nursery Rhyme Concert on Friday 20th November. A separate letter will be sent home with details.

Our Hook:

On Tuesday 1st December, the children will be receiving a very special visit from Santa's reindeers. This will launch our learning into Christmas!

Nursery Christmas Concert:

Due to Covid 19 restrictions, the Nursery children will be performing a Christmas Concert in Nursery which will be shared online with our families. It will involve lots of festive singing and dancing with a Nativity theme. Details of how to view will follow.

Nursery Twitter Page

 Fibbersley P Nursery @missperry673

We love to share all the fun and learning that goes on in Nursery. Please follow our Nursery page to find out about our day and special events. Please note that no children's names are posted along with their photos.

Marvellous Me is an app that we use to keep up with day to day notices. Through this app we can also send stickers and awards to notify you of your child's achievements. It's great to see all the Hi5's!

If you need a new parent join code, please do not hesitate to ask!

Tapestry is your child's online learning journal. We upload photographs and observations of your child's learning in Nursery so that you can view it all at home. Parents can add 'likes' and comments to the observations and even add photos of learning that goes on at home too!
