

NICER Homework

Reception

As we are working towards our challenge outcome of a performance we would like the children to learn a song/nursery rhyme or short story of their choice to perform for their friends in class. We will be performing these in class during the week commencing 30th November so there is plenty of time to practice!

Suggestions:

Twinkle Twinkle Little Star

Wind the Bobbin Up

Humpty Dumpty

The Wheels on the Bus

We are talking all about celebrations during our Challenge Pack so please could you send in some photos of some family celebrations for the children to share during show and tell.

Please talk with your child all about the photos so they can share them confidently in class. The children always love sharing their photos and it is really good for building their self confidence, speaking in front of their friends.

Please send the photos into school by Monday 23rd November.

Thankyou,

The Reception Team

Our NICER Challenge Pack this term is called:

Let's Celebrate

The Challenge that our children will be undertaking is:

How can we create a performance for our families?

The outcome that the children will be working towards will be:

A Christmas performance (via zoom)

Week commencing: 14th December (More details to follow).

NICER:

During our challenge pack we will be talking all about different celebrations including; bonfire night, Diwali, remembrance day, birthdays, Christmas. Please talk with your child about these different celebrations and what you do as a family to celebrate.

Book Bags: Please can you ensure that your child has their book bag in school everyday as we read with the children at different points during the week. They are also useful for keeping all of your child's belongings together and in one place!

Twitter: Class Twitter Pages: We love to share all the great learning that goes on in our EYFS classrooms. Please follow our class pages to find out about our day and special events.

Tapestry: If you have not yet signed up for a Tapestry account or are having trouble activating/accessing your account then please speak to your child's class teacher and we will get this sorted for you. We are really enjoying sharing all of your children's learning with you via this app and we hope you are enjoying getting an insight into your child's learning too.

Marvellous Me: Marvellous Me is an app we use to keep up with day to day notices. Through this app we can also send stickers and awards to notify you of your child's achievements. If you haven't received a code to access the app please speak to your child's class teacher, similarly if you have forgotten your code please let us know so it can be reset.
