

Dear Parents/Carers,

I hope that you received my letter dated 10th November with an update following the recent DfE guidance and an overview sharing what we're doing to prevent the spread of Covid-19 in school. We understand that a National Lockdown brings uncertainty, worry and anxiety for all, therefore please request to speak to a member of staff over the telephone if you have any questions, queries or need family support.

For the safety of the children, we are not planning external trips off the school site this term and will review the risks again in preparation for the new year. Swimming for Year 4 has been postponed until further notice.

The Autumn term is always a busy one with the run up until Christmas. You should receive a Curriculum newsletter for your child's Year group with further details about their challenge packs this half term.

Have a lovely weekend!

Miss S. Reynolds
Acting Head of School

Mobile Phones

Please remember that only children in Year 6 should be bringing a mobile phone into school.

Remote learning and COVID-19

If your child is sent home with COVID symptoms or you choose to keep them at home due to COVID symptoms – a generic Year group work pack is available for collection from the school office.

If we are advised by public health to isolate a bubble/year group, we ask that you have the Marvellous App, Zoom, My Maths and access the Oak National Academy.

Please wear a mask and remember to keep your distance when you are on site.

REMINDERS

Communication: If there is an issue/question, please ensure that you follow our communication policy and make an appointment to see/speak your child's class teacher in the first instance.

If you're not satisfied, please ask to speak to the **Year Leader**, then a member of SLT.
