## Autumn 2 in Year 4!

As we continue with our Autumn term, we have that you and your families are safe and well!

### Polite reminders:

Following government guidance, if you wish to speak to your child's teacher, please respect social distancing and book a phone meeting with Main Reception. Staff cannot conduct meetings at classroom doors during Registration or home-time.

Please ensure that your child has a healthy snack for break-time. Please ensure that your child has their P.E kit so that they can take part in our P.E. lessons. Any jewellery, including earrings, must be taken off for P.E.

## **Our NICER Challenge Pack: Catastrophe**

### **How can we help those affected by a natural disaster?**

Year 4 children will research natural disasters and their effects on different regions and people around the world.

We will also learn about different charities and fundraise for a charity which helps victims of natural disasters.

**Challenge Outcomes will be during the week commencing 7th December. We will continue to follow government guidance; therefore, more details to follow.**

### **Maths, Reading and English lessons continue to be taught daily.**

In English, we will learn about explanation texts, adventure stories and poetry.

In Maths, we will learn about multiplication, division, fractions and shape.

Science will be taught discretely over a 2-week block and our topic will be Light and Shadow.

**We have PE twice a week. This half-term's PE topic is dance.**

**Please make sure your child has their PE kit in order to participate.**

**Class 4G: Wednesday and Friday**

**Classes 4D and 4S: Monday and Wednesday**

**Please note: Year 4 swimming lessons are postponed until January 2020.**

**We will review the risks before then.**

Most other lessons will be taught through our NICER Challenge Pack.

Please support your child with learning their times tables at home and by making sure that they read daily.

We look forward to seeing the children's NICER Home Learning Challenges. Please note that the children have until the 9th December to complete their Home Learning Challenges. We recommend keeping work at home until week beginning 7th December. If you would like to know any further information about the NICER Curriculum, please visit our school website:
