Dear Parents/Carers

**Re: Christmas Activities**

We know that this year has difficult in so many different ways, but we really want the children to enjoy the build up to Christmas in school.

Due to the current COVID situation, there are certain Christmas events/activities that we've had to change or postpone to limit the contact between individuals – to help keep everyone safe.

**Christmas Cards**

We are asking that individual class sets of Christmas cards are NOT sent into school because we want to reduce the amount of correspondence being handled by staff and children from home to help keep everyone safe. We are suggesting that your child writes one Christmas card addressed to their class then this can then be opened in class and used to decorate the classroom.
