Dear Parents/Carers,

Congratulations to all children, parents and staff for excelling at your home learning this week and to all the children coming to school everyday and trying their best. This has been my first week at Fibbersley Park and I have really enjoyed meeting you all either face to face in school or online through zoom. I have been really impressed by the enthusiasm of the children and their love of learning.

I'd also like to say a big thankyou to the Year 4 parents who have purchased dictionaries for all the children in the year group!

I am sure you may have heard on the news about some of the problems schools have been experiencing with the variable quality of food parcels for families during the lockdown. I am pleased to confirm that from Monday 25<sup>th</sup> January we will be able to offer food vouchers for children not attending school who are entitled to free school meals. Parents will be contacted next week once we have further information.

Wishing you all a very happy weekend

Mrs Kathryn Sugars.

### REMINDERS

**Communication:** If you have an issue or question, please ensure that you follow the school's communication policy and make contact with your child's class teacher via telephone or email in the first instance.

If you then require additional support, please ask to speak to the **Year Leader**, then a member of SLT.

### Remote learning and COVID-19

Our third National Lockdown started on Tuesday 8<sup>th</sup> January. School is open to children of critical workers and vulnerable children. For all other children learning will take place at home. Please see the school website for additional information.

If we are advised by public health to isolate a bubble/year group, we ask that you have the MarvellousMe App, Zoom, My Maths and access to the Oak National Academy.
