

If you haven't already, please download the MarvellousMe App as we will continue to use this to communicate with parents.

Dear Parents/Carers,

Thank you again for all your hard work this week to support your children at home and those attending school. We have had lots of positive comments from parents regarding home learning so thank you for taking the time to share your thoughts with us. Next week, Miss Reynolds will be sending out a questionnaire about our home learning provision - we really welcome your feedback so that we can offer the best provision we can.

Lateral Flow Testing:

From Monday 25th January all primary schools nationally will be able to offer twice weekly lateral flow testing for school staff. The tests will help schools to identify staff who are asymptomatic for COVID-19. The test is not for staff who have any symptoms. I believe offering tests is a really positive strategy however it may have an impact on the bubbles we are currently operating in school. If bubbles have to close, we will notify you as soon as possible via text.

FSM vouchers:

Free school meal vouchers are currently being processed. Please make sure you have replied to the school text if you are entitled to FSM. Please contact the school office if you have any questions.

Wishing you all a very happy weekend

Mrs Kathryn Sugars

Dates for your diary

Reading Book Swap:

Friday 22nd January - EYFS/KS1 Friday 29th January - KS2

Please come and swap your reading book. The books will be placed outside the Year 5 classrooms throughout the school day. A member of staff will be there to help you.

Please remember to maintain social distance when you are on the school site.
It is also essential that all visitors to our site wear a face covering if you are able to.

REMINDERS

Communication: If you have an issue or question, please ensure that you follow the school's communication policy and make contact with your child's class teacher via telephone or email in the first instance.

If you then require additional support, please ask to speak to the **Year Leader**, then a member of SLT.

Remote learning and COVID-19

School is open to children of critical workers and vulnerable children. For all other children learning will take place at home. Please see the school website for additional information. Please contact the school office if you require nursery provision.

If we are advised by public health to isolate a bubble/year group, we ask that you have the MarvellousMe App, Zoom, MyMaths and access to the Oak National Academy.

What have we been up to? Remember to follow us on Twitter!

Celebrating our Year 6 Remote Learners

Thank you to those who have contributed

this week...

- Mia
- Layla
- Brooke
- Matthew
- Logan
- Kaitlyn R
- Tiana
- Lucas
- Rebecca
- Coby
- Maisie

Well done everyone who is trying their best with their remote learning .

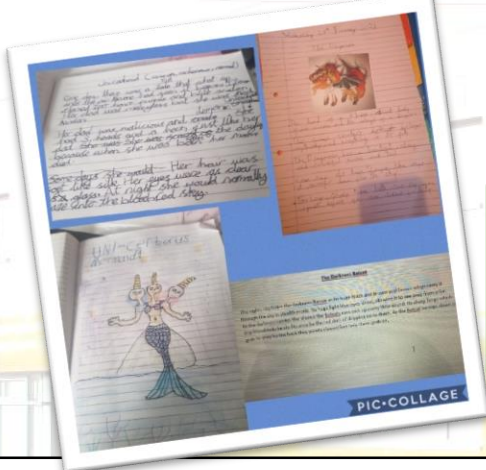

Well done to all the children joining the zoom sessions for super subtraction work and amazing phonics and sentence writing. RH

Thank you, Johannes, for your fantastic piano playing on Zoom. From Mrs Burns

A big shout out to Hope, Layla, Phoebe and Charlie C too for brightening my mornings on Zoom, they are always eager to start and always smiling! 1B

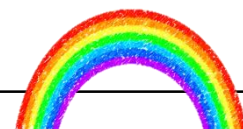

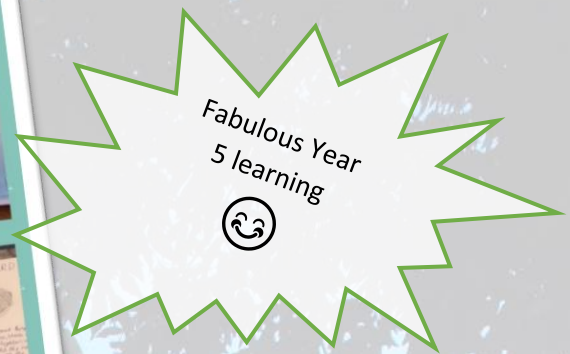

Super Reception work 😊

In Year 4, we've been creating our own mythical creatures and writing character descriptions. We also wrote non-chronological reports about the Anglo-Saxons. In Science, we learned about light and shadow and how to stay safe in the sun.

The third Monday of January is called Blue Monday. It is supposedly the saddest day of the year, due to a combination of bad weather, long nights and the lingering aftermath of the festive frolics. So, on January 18th, 5S Zoom children decided to beat the saddest day by wearing bright colourful clothes to cheer each other up. All the children had a fun time dressing up with some crazy colour combinations. Well Done 5S

★ Our Fibbersley Stars from this week ★

Well done to ...
