Dear Parents/Carers,

The children and staff have adapted brilliantly to our new way of working either at home or in school. We are all very grateful for the support you have given to the children since Christmas. Thank you to all the parents who returned their remote learning questionnaires. Following your feedback, we will be looking at ways to organise resources on the website, producing a "typical day" timetable to help families manage the work that is set and support the children through "live" teaching.

As we approach the half term break it's a good opportunity to reflect on the changes that have taken place in school this half term. It has been four weeks since I joined Fibbersley Park Academy and during that time I have felt really welcomed by all the children, families and the staff I've met at school. This week I enjoyed the chance to meet the parent council on Wednesday and I'm looking forward to meeting the Academy Council next week. Hopefully as school returns to normal over the coming months I will have the opportunity to get to know many more of you!

Have a lovely weekend.

Mrs Kathryn Sugars.

Remote learning and COVID-19 (see school website)

For all other children learning will take place at home. Please contact the school office if you require nursery provision.

Focus for week beginning 8.2.21

Remember email your work to your teacher or use Showbie or Tapestry in Early Years to share your learning. Try and send a piece of reading, writing, maths work and Nicer to your teacher. If you collect a work pack from the office and finish the tasks, bring it back and collect your certificate.
