Dear Parents/Carers,

Welcome to the start of the summer term. The children have settled back into the routines of school and we have all enjoyed the sunny weather at playtime and lunchtime. The teachers are busy planning their curriculum 'hooks' for the children and we are really looking forward to inviting visitors into school as soon as possible. Please read the class curriculum letters that will be coming home this week for additional information. Please don't hesitate to contact the school office or your child's class teacher if you have any questions.

This week has been assessment week in school- well done to all the children who have completed their tasks and challenges.

Our new learning mentor Kane joined the Fibbersley family this week. The children have enjoyed talking with Kane and joining in with his lunchtime games and activities.

COVID update: Masks will still be worn by adults in school. The children and adults will continue to work in bubbles to reduce the number of contacts. As more restrictions are lifted I hope that we will be able to enjoy many of our usual school summer activities.

Have a lovely weekend.  
Mrs Kathryn Sugars.

If you have a child born between 1.9.17 - 31.8.18 and have not already applied for a school Nursery place for September 2021, please collect an application form from the main office. Spaces for September are now being offered.
