

Dear Parents/Carers,

Eid Mubarak to all our families celebrating Eid this week.

This week we have been holding our pupil progress meetings in school. It has been lovely hearing about the progress the children have made and the activities that are being planned for the summer term.

Next week is attendance week and 'walk to school' week. Each day the children attend school they can collect a sticker from the school gate, outside the classroom or at breakfast club and put the sticker on their attendance bookmark. All children that collect 5 stickers will be entered in a prize draw next Friday. Full attendance is so important to support children's progress at school and so I'm sure you will join us in encouraging and celebrating their attendance every day. A daily walk to school can also support fitness and well-being as well as helping the environment so please join in if you are able.

We have been contacted by our community police office to remind the children about personal safety now that the evenings are lighter. Please share the following with your children,

- ***Never go off on your own with a stranger, take things from them or get in a car with them.***
- ***Make sure you tell your parents where you are.***
- ***If someone scares you, or makes you feel uncomfortable go somewhere safe, which could be your home, your school or a police station.***
- ***Remember to tell someone what has happened straight away.***
- ***Always dial 999 in an emergency.***

Have a lovely weekend.

Mrs Sugars

Could all parents be vigilant in monitoring your child's use of social media platforms.

These platforms often contain information that is inappropriate for children. Social media platforms are not always monitored for appropriate content, so it is important as parent's to observe what your children are accessing.

**Please remember to maintain social distance when you are on the school site.
It is also essential that all visitors to our site wear a face covering if you are able to.**
