

Dear Parents/Carers,

Well done to all the children who have attended school every day this week and collected their five stickers at the school gate. Lots of children have tried to walk to school as well this week so well done. Full attendance is so important to support children's progress at school and so thank you to all parents and carers who have entered the spirit of the event. I'm excited to see our attendance figures at the end of this week - I'll keep you posted!

Scooters again! I have received a number of complaints this week from parents regarding electric scooters being ridden on the road outside school as well as on the school site. Children must **not** ride their bikes and scooters on the school site. Thank you for your support in ensuring we resolve this issue.

Several children are now bringing fidget toys into school. Children may be asked to put their fidget toys away if they become a distraction in lessons. Please be assured if your child needs a fidget toy then school will provide one and parents will be involved in the decision. Please encourage your child to leave fidget toys at home.

Next week we will be launching our new online communication platform "Class Charts". This will enable parents and school to communicate, for the children to earn points when they demonstrate our school values, select rewards and for school to involve parents more openly with their child's behavior. Letters will be coming home next week providing all the relevant information.

Have a lovely weekend.

Mrs Sugars
