

Wednesday 24th November 2021

Dear Parents/Carers,

We have some exciting news! Our new School Meals Ordering system will be coming to us on Friday 26th November (For meals from 29th onwards).

The new system allows you to choose your child's school meals from home.

This system gives you more involvement in meal selection and allows you to discuss the meal options and select a meal with your child. It also gives you more of a say in what your child selects from our school meals.

Simply by logging in to your Parentpay account as normal and instead of 'book a meal' you will find this will change to 'select a meal' (those without ParentPay accounts, please contact the school and we will advise how to set this up).

Further information will be sent out to you next week on how to book a meal, so for now, please find attached the Benefits of Meal Selection Flyer along with a link below to a short video.

In the meantime, if you have any questions, please do let us know.

Kind Regards,

Mrs Sugars
