

***Being the best you can be.***

Dear Parents and Carers,

Our final week in school before the Christmas holiday is nearly here! Please use the website calendar and the dates for your diary to make sure you know what's happening in school. We will continue to seek advice and support from Public Health England regarding COVID cases in school.

On Tuesday 7th December we had our termly review in school which focused on personal development, safeguarding and Health and Safety compliance. The review was very positive and we will use the next steps to support our planning for the spring term. On Wednesday Mrs Flemings and the SEND team welcomed parents into school to hold our first SEND parents forum. Thank you to everyone who attended and we look forward to planning our next meeting in the spring term.

I am coming to the end of my first year at Fibbersley Park and I want to thank colleagues, children and families for making me feel so welcome. Fibbersley is an exciting place to be and I look forward to the New Year and all the events and activities we have planned.

Have a great weekend.

Mrs Sugars
