

Being the best you can be.

Dear Parents and Carers,

The Christmas trees and decorations have now arrived in school. Please look at the “One Kind Word” Christmas tree by the office— every pupil will be making a bauble with a special message. With the support of Public Health England we are looking forward to continuing our calendar of Christmas events, however parents attending should wear a face covering and social distance as far as possible. Numbers will be limited to help us all stay healthy and well for Christmas.

This term we have been reviewing our behaviour policy which will be available on the school website in the New Year. Our school rules of Be Ready, Be Safe and Be Respectful are promoted in school by staff and pupils. This term we have been focusing on improving behaviour at lunchtime by promoting positive play and encouraging the children to take part in play-ground games and activities.

This week we had a presentation in school for Year 5 parents who want their child to apply for Queen Mary’s High School and the Grammar school. Please contact the school office if you wish to receive further information regarding the grammar school application process.

Have a great weekend.

Mrs Sugars
