

Being the best you can be.

Dear Parents and Carers,

Welcome back to school for the start of the Spring term . This week we have been thinking about new beginnings, new year's resolutions, events and activities we are looking forward to and targets and goals we all want to set ourselves for 2022. In EYFS and KS1 we heard the story of the Little Snowdrop who was brave and strong to survive the cold wind and dark winter nights. Hopefully we will see some snowdrops beginning to appear very soon. This half term the school value we will be focusing on is "Insist on Excellence".

The children have settled really well back into school and despite the challenges presented by COVID, we have got off to a great start. Please continue to contact the school office if your child is unwell and not able to attend school. Contact the school office/ or your child's class teacher through class charts if you require school work / tasks for your children to complete at home.

The children will be starting their new learning challenge this week and curriculum letters and homework tasks will be going home at the end of next week.

Have a great weekend.

Mrs Sugars
