The staff in Year 2 are: Mrs Burns, Mrs Iqbal, Mrs Hodgkins, Mrs Edwards and Mrs Cole

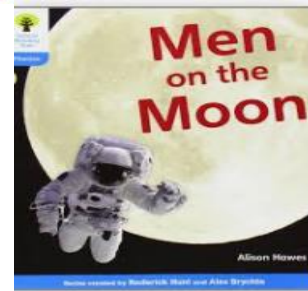

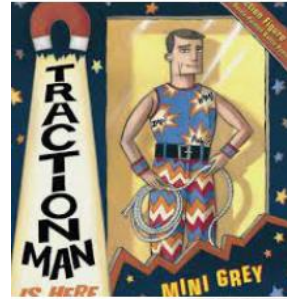

NICER Challenge pack

Our NICER Challenge Pack this term is called: Our Heroes.

The Challenge that our children will be undertaking is: **How can we share the impact of heroes past and present and inspire others to be heroes?**

The outcome that the children will be working towards will be: **To create a front cover for a comic showing themselves as heroes of the future.**

This will happen in the week beginning **28th March 2022**

Our Heroes

Maths and English will happen daily and our Science lessons will happen during the afternoon. In Maths, we will be focusing on addition, subtraction, multiplication, division, statistics, time and plus 3D/2D shapes. MyMaths activities for homework are set weekly. In English, our work will be based upon the books **Men on the Moon** and **Traction Man**. Spellings are sent home weekly linked to the common exceptions words for Year 1 and Year 2. We will write a description, a newspaper article, a letter and an extended story. Our Science work this term is all about **Plants**.

All other lessons will be taught through our NICER Challenge Pack. Please make sure that PE kits and reading books are in school every day. We will continue to use Class Charts as a reward system and as a means of communication. Thank you.

Special Event: **Hook – All About Space Afternoon**

The children will bring home their NICER homework today. Please see your class teacher if you have any questions. We look forward to seeing the children's homework, to be returned on **25/03/2022**. Please ensure it is only handed in on this date due to lack of classroom space. Thank-you.

Our children are looking forward to another Hook. This time we are

I'm looking forward to our space afternoon!

I wonder what I will be when I grow up?

I want to find out about other heroes!
