Year 3 Leader: Miss Griffiths

May 2022

## Summer 2022 in Year 3

The Summer weather is finally here and we are excited to start the term with our new topic, 'Rock On!'

### Polite reminders:

- If you wish to speak to your child's teacher, please book a phone meeting via Main Reception
- Staff cannot conduct meetings at classroom doors during Registration or home-time
- Please continue to communicate through Class Charts
- The weather is becoming warmer, so we suggest that your child brings a bottle in each day—no fizzy or energy drinks
- All jumpers and cardigans should be labelled with your child's name in

## **Our NICER Challenge Pack: Rock On!**

### **How can we use our knowledge of the Mesolithic age to recreate a shelter?**

The Year 3 children will focus on two main topics, History and DT. In History, they will learn about the period of prehistory where they will look at human development and survival. Following this, they will have to design a product that is historically accurate for the Mesolithic age.

**Year 3's challenge outcome will be showcased in school towards the end of the Summer term. Details to follow nearer the time.**

### **Maths, Reading and English lessons continue to be taught daily.**

In English, we will learn about stories, letters and non-chronological reports.

In Maths, we will learn about money, perimeter and revisit the four operations.

Science will be taught weekly and we will be covering the topics, 'Rocks and Fossils' and 'Plants.'

### **P.E sessions will be taught twice weekly.**

Spring term's PE topics are 'athletics' and 'net and wall.'

Most other lessons will be taught through our NICER Challenge Pack.

Please continue to support your child at home by encouraging them to access the following programmes: MyMaths, TTRockstars and Lexia (if allocated a login by the class teacher)

If you need any login details, then please message your child's teacher via Class Charts.

We suggest that children should read daily to an adult and ask that their reading diary is signed.

We look forward to seeing the children's NICER Home Learning Challenges. Please note that the children have until the 4th July to complete their homework.

We recommend keeping work at home until the week before.

If you would like to know any further information about the NICER Curriculum, please visit our school website: [www.fibbersleyparkacademy.org.uk](http://www.fibbersleyparkacademy.org.uk)

This term's class texts are:

*Stone Age Boy*  
by Satoshi Kitamura

*The First Drawing*  
by Mordicai Gerstein
