

Being the best you can be.

Dear Parents and Carers,

This week we welcomed trust leaders into school for our termly school visit. The focus this term was on Early Years, Assessment and SEND across the school. It was a great opportunity for teachers and leaders to share the exciting work we are doing in school.

As we approach the end of term the children in all year groups have been undertaking their termly assessments and completing their learning challenges. Please book your parents evening slot so that you can discuss your child's progress.

As you may be aware parking by school has been very challenging this week. We are working with the council to find ways to improve the school parking.

Wishing you all a very happy weekend

Mrs Sugars

Our Art Studio is finally finished.

Please come and see our finished wall wraps.

Year 1 learning about people who look after us in our community.

Important reminder—we are a nut free school

Communication: If you have an issue or question, please ensure that you follow the school's communication policy and make contact with your **child's class teacher** via **Class-charts, telephone or email in the first instance.** If you then require additional support, please ask to speak to the **Year Leader**, then a member of SLT.
