

Being the best you can be.

Dear Parents and Carers,

Crown Day– wear red, white and blue:

Today we celebrated the Kings Coronation with our picnic in school. Due to the changeable forecast we held an inside street party instead of a picnic outside. All classes made flags and crowns, learnt about King Charles and enjoyed a varied menu of activities.

Design a cake competition:

As part of our celebrations, the trust schools are holding a “design a cake fit for a King competition”. You can design the cake, think about the colour, flavour and the ingredients you might need. The top three entries will receive a prize and the overall winner will have their cake baked and presented at their school. All designs need to be brought into school by Thursday 18th May.

Uniform Reminder:

Please remember that trainers should not be worn for school. If you don't wish to buy new shoes for the final term then plain black pumps will be fine for school. If your child has lost their tie please contact the school office and we will try to replace missing ties. **All** children need a PE kit for school– please see the uniform page on the school website for additional information.

Our school uniform shop remains open for business as usual this term. Any donations of unwanted school uniform would be greatly appreciated. Remember there is no charge for the school uniform from our shop.

Staffing Update:

As the year progresses we always look forward to welcoming new staff to school but also feel sad when we have to say goodbye to staff as they move onto new adventures. At the end of this year Miss Reynolds will be moving to Foley Park in Kidderminster to take up the position of Headteacher. We wish her every success in this exciting new role.

The Academy Council supports the work of the school and acts as a critical friend to school leaders. We currently have a vacancy for a community Academy Councillor. If you know anyone who would like to support the Academy Council please contact the school office.

Mrs Sugars

Important reminder—we are a nut free school

No nuts or snacks containing nuts, are allowed in school. This is to keep our pupils safe who have a Nut allergy. Please do not send your child with Nutella/ chocolate spread sandwiches. Thankyou.

Communication: If you have an issue or question, please ensure that you follow the school's communication policy and make contact with your **child's class teacher** via Class-charts, telephone or email in the first instance. If you then require additional support, please ask to speak to the **Year Leader**, then a member of SLT.

Are you a Year 6 parent?

Can you support our Year 6 Disco?

Our Parent Fundraising Group (PFA) have been meeting to discuss the proposed plans for the Year 6 disco – in terms of how they can support/fund the event. As you can imagine, a lot of work goes into organising these memorable events.

To give you an idea of costing – it will **cost our Parent Fundraising group at least £700.00** to put the event on for our Year 6 children, so any additional help will be greatly received.

We'd like to reach out to you to see whether there are any Year 6 parents who have contacts/able to get a discount/support with:

A DJ

Sweet cart/popcorn machine

Providing a balloon arch/balloons/banners or other decorations for the hall

KFC discount – for food

If you feel that you're able to support – please send Miss Reynolds a Class charts message with details.

Are there any Year 6 parents who would be willing to make a voluntary cash donation?

If so, please send cash in a **sealed envelope clearly labelled with PFA Year 6 donation**

before Friday 9th June.

Please note: Full details of the Year 6 disco will be sent home in the next few weeks.

Being the best you can be.

Message from WM Police

Young people warned to stay away from derelict buildings

West Midlands Police are urging parents to speak to their children about the dangers of entering derelict buildings in Walsall.

The police have received reports of anti-social behaviour and criminal activity taking place at derelict buildings. This has prompted the authorities to issue a warning to young people about the risks of entering these dangerous buildings and the consequences that can follow.

Derelict buildings are often structurally unsound and can pose a serious risk to anyone who enters them. The buildings may have weakened floors, walls or ceilings that could collapse at any moment, causing serious injury or even death.

The consequences of entering derelict buildings can be severe. In addition to the risks of injury or criminal activity, young people who are caught trespassing may face legal consequences. They may be fined, given a criminal record or even sent to prison.

Derelict buildings are often used by criminals for illegal activities such as drug dealing, theft or vandalism. Young people who enter these buildings may be putting themselves at risk of becoming victims of crime or even getting involved in criminal activity themselves.

Officers are patrolling known hotspot areas and taking action when reports of young people in derelict buildings are made. Local residents are advised to be vigilant and report any concerns or signs of entry to the police.

In an emergency always call 999. For non-emergencies, call 101 anytime or contact West Midlands Police via Live Chat (available between 8am and midnight every day)
