

29th JUNE 2023

Dear Parents and Carers,

As you will be aware Fibbersley Park Academy was recently inspected by Ofsted. I know Mrs Sugars has shared the final report with you.

I was thrilled with the outcome, and the report is so positive. It really does show the hard work that leaders and all members of the Fibbersley Park team have done to ensure that the school continues to develop and improve.

It has been quite a journey, but the team in school, working in partnership with you as families have really ensured that Fibbersley Park is a school for the whole community to be proud of. The work started by Mrs Crawford has continued and I know that she would be immensely proud of this report.

I am delighted that the Ofsted inspector acknowledged in the report many of the positive areas they found during their visit:

*'Pupils have warm, respectful relationships with staff and are caring towards each other'*

*'Leaders.... and staff have a real passion for making a difference to pupils at the school'*

*'Working together is a strong feature of this school'*

*'Leaders have high expectations of pupils' behaviour and learning. Pupils meet these expectations by working hard and behaving well.'*

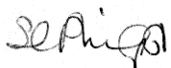

Obviously, as with any report, there are areas which the school will continue to work on, and I know the areas identified are already part of the work that the school is working towards.

All of us at Victoria Academies Trust will continue to work with the leaders and staff at Fibbersley Park to support them in the next steps of their journey, and I as ever, give my personal commitment to ensuring that Fibbersley Park Academy is the very best it can be for the children and your local community.

I am sure you will want to join with me in congratulating Mrs Sugars and the Fibbersley Park team on this report. It is important to also thank you as parents and carers, as the partnership and support from you makes the school the wonderful place that it is.

Finally, I would like to say a big thank you to the Fibbersley Park children who continue to be a delight to be around every time I visit.

Yours Sincerely,

Miss S L Philpot
