

Being the best you can be.

Dear Parents and Carers,

Number Day 2024

Number Day:

Friday 2nd February is number day. Many children came to school dressed as a number. Across the school all the children took part in number activities and challenges. In the afternoon we held a whole school assembly to share the work that the children have completed.

Diversity Week:

Next week we will be holding our Diversity Week in school. Each Year group and class will celebrate the diversity of cultures within our school. Some classes are encouraging the children to dress up in their national dress, bring in photographs and stories from home about their families. Each year group will be producing a display that will celebrate the cultures and heritage of our children and staff in school.

Trust Values:

This week our values champions met with the other schools values champions within our Trust to share what they have all been doing to celebrate our values and demonstrate them in school. After half term we will be focussing on Curiosity.

Courage

We show courage by being ambitious, challenging ourselves and others to achieve more. We take on challenges with enthusiasm, determination, and resilience, learning from failures.

Have a great weekend

Mrs Sugars
