

Being the best you can be.

Dear Parents and Carers,

Excellence

We have a strong commitment to continuous improvement, a willingness to learn, and a dedication to becoming the best that we can be.

We have had another busy week in school. Our nursery children and their families visited Lower Drayton Farm. The children took part in a number of activities including a tractor ride and seed planting. Thank you to all the families who supported the trip. The children in Year 5 made cakes and biscuits to complete their fair trade project. I am sure they will enjoy deciding how to spend the money they made.

This week the Deputy Headteacher from Wednesfield Academy visited our school to tell us about an exciting project they will be starting. Their transition curriculum project will involve children from Years 4-6 experiencing life at a secondary school and exploring a range of subjects to enhance our own curriculum.

On Tuesday we had a phonics review day with the Walsall English Hub. We are all enjoying the Little Wandle scheme and are excited to be launching our new reading scheme over the next couple of weeks. Mrs Wilson will be organising a reading session for parents before half term. Information will be sent out as soon as possible.

It was lovely to see so many parents at parents evening this week. If you were unable to attend, please contact your child's class teacher through class charts to arrange an alternative date.

Values Mural

Last week we unveiled our delightful values mural in the library. The mural was designed by an ex-Fibbersley pupil, Emily Page, who is now studying Fine Art at Birmingham University. Emily worked with a group of children to complete the mural. Please come into school to see the finished art work.

Wishing you a great weekend

Mrs Sugars

Important reminder—we are a
