Dear Parents and Carers.

We've all been making the most of the beautiful sunshine this week, and it has been wonderful to see the children enjoying their time outdoors. In OPAL, we introduced a brand-new large digging area, giving children the chance to explore, get their hands dirty, and engage in creative outdoor play. They have absolutely loved digging up the soil and filling the tyres, showing fantastic teamwork and enthusiasm. Perhaps a little rain would help soften the ground—something to look forward to in the coming weeks!

Well Done to Our Pupils!

A huge well done to all the children who have completed their assessments this week! We know they have worked incredibly hard, and we are so proud of their efforts. These assessments are an important part of their learning journey, helping teachers understand progress and identify any areas where extra support may be needed. I'm sure your child's teacher will be happy to discuss their progress with you during parents' evening.

Parent Consultation Evenings – 9th & 10th April

Our parent consultation evenings will be taking place on **Tuesday 9th and Wednesday 10th April**. This is a valuable opportunity to meet with your child's teacher, celebrate their achievements, and discuss their progress and any areas for development. We encourage all parents to book a session through **Teachers2Parents** to ensure you have time to speak with your child's teacher. If you have any questions or need help with the booking process, please don't hesitate to contact the school office.

Autism Awareness Month – Raising Understanding & Acceptance

April marks the start of **World Autism Awareness Month**, an important time to come together as a community to raise awareness, foster acceptance, and promote a society where autistic people are supported, understood, and empowered. Throughout the month, we will be sharing information and running activities to help children develop a greater understanding of autism and the importance of inclusion. A huge thank you to the parents who brought this special occasion to our attention—we look forward to celebrating it together. Keep an eye out for updates on upcoming events!

Trust Conference – A Day of Collaboration & Learning

On **Friday 28th March**, our **Trust Conference** took place, bringing together staff from across the **11 schools within our trust**. This annual event is a fantastic opportunity for teachers and staff to connect, share best practices, and gain new insights to enhance our teaching and learning. It was an inspiring day filled with discussions, workshops, and ideas that we are excited to bring back into our classrooms. By working together as a trust, we continue to strengthen our commitment to providing the best possible education for all our children.

Have a good week

Mrs Sugars
