

8th December 2025

Dear Parent/ Carer,

Re: Victoria Academies Trust Community Partners' Network

You will be aware that Fibbersley Park Academy is part of Victoria Academies Trust family of schools. As a Multi-Academy Trust, we are passionate about making a difference to the lives of our pupils, families, and colleagues. We strive to do this through our shared vision, values and beliefs so that all our people including your children can be the best they can be.

Victoria Academies Trust's Community Partners' network is an initiative that was launched in July 2025. The idea of creating VAT Community Partners is driven by one of our key commitments: to ensure that all children who attend Victoria Academies Trust schools can access a range of high quality and life changing experiences.

Through establishing VAT Community Partners, we aim to work in partnership with businesses and organisations across the West Midlands to:

- Build a network of individuals and organisations that want to support the children and families that attend our schools
- Offer greater opportunities for our children to have life changing experiences, created and driven by this network
- Create a sustainable model that will allow us to generate income and opportunities, that can make these life changing experiences possible.

In the current economic climate, we are very aware of the financial pressures that families are under on a daily basis. We know that trips and experiences can be an additional expense for families and we want to help where we can. Any income and support we generate from our Community Partners will go back to schools to support their provision of trips and experiences for pupils.

You can find more information about our Community Partners on VATs website here: <https://victoriaacademiestrust.org/community-partners/news-and-updates/> where there are updates about key events and information of organisations who are working alongside us to support your children's education and life experiences.

We will continue to work as hard as we can to engage as many Community Partners as possible to join our network to support our pupils and we would like to ask for your help with raising awareness. You may be aware of, or work for local companies who you know have the capacity to support VAT Community Partners, or you may work for an organisation that has Corporate Social Responsibility days. If so, we would like to ask you to consider whether you could use those days or perhaps speak to your employer to make them aware of our Community Partner Network to see if there is any way they could engage with us.

Victoria
ACADEMIES TRUST

**Victoria Park
Primary Academy**
Ballot Street | Smethwick | West Midlands | B66 3HH

T: 0121 558 8701 | F: 0121 565 6358
