Dear Fibbersley Park Academy Families,

As we conclude another vibrant half term, I am delighted to share some highlights and important updates from our school community.

The past weeks have been marked by remarkable dedication and achievement. Our pupils have demonstrated exceptional commitment to their learning, working diligently to meet and exceed their academic targets. Their perseverance and enthusiasm continue to inspire our entire school community.

This week, we were privileged to welcome our local police force, who delivered an essential presentation to our Years 5 and 6 pupils about online safety and responsible social media use. These crucial conversations help equip our young learners with the knowledge and skills to navigate the digital world safely and confidently.

I am particularly proud to celebrate the remarkable courage and bravery shown by our pupils across different year groups. Our Young Voices choir beautifully represented our school with their performance in Birmingham, showcasing their musical talents and teamwork. Year 6 pupils embraced cultural learning through bhangra dancing, demonstrating openness and creativity. Meanwhile, our Year 2 pupils have been developing their writing stamina, showing remarkable progress and determination in their literacy skills. We are also pleased to welcome Mrs Claire Hollinshead onto our Academy Council.

We have also implemented a practical improvement to our morning arrival process. We are now trialling the use of a smaller entrance for families arriving after 9am. This adjustment has significantly reduced waiting times and created a smoother, more efficient transition for pupils entering the school. We will continue to monitor this next half term.

On Friday R 2 led our family assembly which we all enjoyed.

In support of Children's Mental Health Week, we invite all pupils to wear a scarf to school on Friday 13th February. This simple act of solidarity helps us raise awareness and show support for mental health and well-being among our young learners.

These moments—whether they are performances, learning experiences, operational improvements, or acts of solidarity—reflect our commitment to providing a supportive, dynamic, and enriching educational environment for every pupil.

Thank you for your continued support and partnership in our pupils' educational journey.
