Dear Fibbersley Park Academy Community,

## Weekly Newsletter

It has been another great and very busy week in school. Thank you to **Class 5.2** for hosting such a lovely family assembly last week – it was wonderful to welcome families in and celebrate the children's learning together.

I would also like to share a community matter that has been kindly brought to our attention by a number of families. At **New Cross Hospital**, there is a little girl called **Amelia**, who will soon be turning 8 years old. Very sadly, Amelia has been diagnosed with stage 4 neuroblastoma and is now receiving palliative care. As part of a birthday challenge, Amelia would love to receive as many birthday cards as possible.

If your child would like to make or donate a birthday card, please feel free to send it into school and I will ensure that all cards are delivered together. This is a meaningful opportunity for our children to demonstrate our school values of unity and integrity.

I would like to take this opportunity to remind all parents and carers about the importance of **appropriate conduct on the school site and within the office reception area**. We kindly ask that all communication with staff and other families remains respectful and calm at all times. Our children are always watching and learning from the adults around them, and it is essential that we model the behaviour and values we expect from them. Any concerns or issues should be raised directly with a member of staff so they can be addressed appropriately and in a constructive manner.

I would also like to bring to your attention regarding the school pedestrian gate. These gates must only be accessed by ringing the buzzer to the school office who will then release the gate to open. Please DO NOT prop the gate open in any way. This is to ensure continuous safety for your children, parents and staff.

Despite the changeable weather, we have managed to dodge the rain showers this week and get outside to play as much as possible. To help us continue to enjoy outdoor play, please encourage your child to bring **wellies or a pair of old trainers** to keep in school so they can access the field when conditions allow.

Thank you, as always, for your continued support.

Have a lovely weekend

Mrs Sugars

## School Meals—IMPORTANT—Please Read

We encourage you to book your child's school meal via **Parent Pay** in advance or up to the same morning **before 8 AM**. This way you will know what your child is eating at school, and also stay on track with your payments, stay in credit and also save time if your child comes through the office and missed registration. **Please be aware, If you pay for your child's meals and pre-book —if they are absent from school you will have to cancel the meal for days absent via Parent Pay or meals will still be charged to your account.**

### Not sure how to do this?

If you are in any doubt how to book, (It's easy and more convenient once you know how!) please call the school office and talk to a member of staff who will happily show you how.

If you have to pay for your Child's school meals please can you ensure your account is kept in credit.

Should there be any problems with payments please contact our Finance Assistant Wendy Lewis via main reception.

## Absences and Appointments

If your child will not be in school, please call the school office *each* morning of their absence to record it. State their name, class number and the reason for absence. If your child has a medical appointment, please inform the office in advance, as we may require medical evidence to avoid unauthorised absence marks, and/or picking your child up early if it's a regular occurrence.

**Please do not send absence messages via class charts.**

**School Time:** Start of the day—main gates open at 8.40am and classroom doors will open at 8.45am. School starts at 8.55am. End of the day—main gates will open at 3.10am. The school day ends at 3.15pm. No-one, including siblings under the age of 16 are allowed to drop off or collect children from school. Thankyou.

**To adhere to our school policy , if your child has sickness or tummy upset, please keep them home for 2 days After the last bout of illness.**

## Medications/Inhalers

Please bring any medications through to the school office. All medications/inhalers need to be in their original box, in date and labelled with the child's name. Medicines purchased from pharmacy require a label printed at pharmacy with the child's name on. A pupil medication form will need to be completed at each new term.
