Dear Fibbersley Park Academy

It has been another busy and positive week in school as we continue to focus on our school value of **courage**. Thank you to everyone who has shared stories of courage from both in and out of school – it has been lovely to hear about the challenges our children have faced and the bravery they have shown in so many different ways.

Our **Nursery children** have been very busy learning about “*Fabulous Figures*”. They have enjoyed welcoming some special visitors, including the police and Dr Nagra (one of our lovely parents), and they are very excited about welcoming the fire brigade next week. These experiences really help to bring their learning to life.

Today is **Number Day**, and children across the school will be taking part in a range of maths challenges focused on numbers. We are sure there will be lots of references to “6, 7!” throughout the day and plenty of mathematical fun.

Last week, **Class 2/2** shared their learning with families during their family assembly. Thank you to the children and staff for a lovely assembly, and to parents and carers for your continued support.

We would like to remind families about the **use of social media** and the challenges our young people can face when navigating online spaces. Please continue to support and monitor your children’s use of social media. Our local **CPSOs** will be visiting school next week to speak with Year 6 pupils about using social media respectfully and safely.

Finally, a reminder that **dogs should not be brought onto the school site** at any time. Thank you for your cooperation in helping us keep everyone safe.

Thank you, as always, for your continued support.
