Dear Parents and Carer

This week has certainly been one to remember, with some of the hottest weather we have experienced so far this year. I could not be prouder of how well our children have coped. They have shown excellent resilience, maturity and responsibility, adapting brilliantly to the high temperatures and continuing to engage positively in their learning.

Our Year 2 children have had a fantastic time on their trip to the seaside. It was wonderful to see them enjoying playing in the sand, building sandcastles, sharing laughter with friends and, of course, treating themselves to ice cream and chips! These memorable experiences are so important and the children represented the school beautifully throughout the day.

Meanwhile, our Year 6 children have begun practising for their end-of-year performances. There is already a real sense of excitement building, and we are looking forward to seeing their hard work come together. Please do ask your child about their role in the production—we know they will be keen to share!

On two of the hottest days of the year, we were incredibly grateful to Miss Perry, our nursery team and the site team, who worked tirelessly to clear the nursery area. Their effort and dedication ensure that our builders can now move onto site and begin the exciting transformation of our nursery provision.

Next week, we look ahead to our 'Moving Up' days. This is always a special time as children spend time in their new classes, meet their new teachers and begin to prepare for the next stage in their learning journey. We will also be welcoming new families into our school community, and we are excited to help them feel part of Fibbersley Park from the very start.

Over the next couple of days, you will receive a letter via Class Charts outlining any changes for your child. Children currently in Year 5 and Year 2 will receive additional information confirming which class they will be moving into in September.

Thank you, as always, for your continued support.

Kind regards,

Mrs Sugars

Headteacher

School Meals—IMPORTANT—Please Read

We encourage you to book your child's school meal via **Parent Pay** in advance or up to the same morning **before 8 AM**. This way you will know what your child is eating at school, and also stay on track with your payments, stay in credit and also save time if your child comes through the office and missed registration. **Please be aware, if you pay for your child's meals and pre-book—if they are absent from school you will have to cancel the meal for days absent via Parent Pay or meals will still be charged to your account.**

Not sure how to do this?

If you are in any doubt how to book, (It's easy and more convenient once you know how!) please call the school office and talk to a member of staff who will happily show you how.

If you have to pay for your Child's school meals please can you ensure your account is kept in credit.

Should there be any problems with payments please contact our Finance Assistant Wendy Lewis via main reception.

Absences and Appointments

If your child will not be in school, please call the school office *each* morning of their absence to record it. State their name, class number and the reason for absence. If your child has a medical appointment, please inform the office in advance, as we may require medical evidence to avoid unauthorised absence marks, and/or picking your child up early if it's a regular occurrence. **Please do not send absence messages via class charts.**
