Dear Parents and Carers,

This week has been another busy and exciting one in school. On Friday, we wore red to show our support for standing up to racism and promoting kindness, equality and respect for everyone in our school community.

Our Year 5 pupils have now come to the end of their swimming sessions. We are incredibly proud of all the children, who have shown determination, resilience and enthusiasm throughout. Every child has tried their very best and should be proud of their achievements.

We were also delighted to see the start of our after-school swimming lessons for children in Years 1, 2 and 3 this week. There are still a few places available, so if your child would like to take part, please contact the school office for further information.

This week, Mrs Dawson led a thoughtful and informative assembly about Black History Month. The children reflected on the importance of celebrating the achievements, contributions and experiences of Black individuals throughout history and in our communities today.

Looking ahead, we are very excited for Science Week next week. We are looking forward to welcoming our Science Boffins, who will be leading a special school assembly and inspiring the children with their enthusiasm for science. We will also be sharing our own investigations and discoveries at our Science Fayre, and we can't wait to celebrate the wonderful experiments and scientific learning taking place across the school. Thank you to Mrs Hayer for organising this exciting annual event.

Have a lovely weekend.
